

UNDER THE BRIDGE

Newsletter for Last House On The Block Society

June 2014

Welcome to the June issue of Under the Bridge, the free newsletter of Last House on the Block Society. On May 31st, the 2CAV (Canadian Armed Veterans motorcycle units) conducted a charity bike ride. During the event, tickets were sold for a draw on a barbecue. All proceeds from that sale were donated to Last House on the Block Society. The amount donated was \$535.

We all had a great time. We made some new friends. And we raised some money to further our efforts to help those less fortunate than us.

In other news, we are pleased to announce the addition of a new director on our board of volunteers. Donna Horne of Dartmouth. This brings our number of directors to 6. Our maximum is 11 directors, so that leaves 5 seats still open. If you have an interest in helping others and want to be involved in our project, by all means give us a call or send us an email.

This article was written by a volunteer director of Last House on the Block Society. We encourage our readers to submit their own stories or articles. So if you have a story about life under the bridge or on the streets or if you are working or volunteering in this field, we'd like to hear from you. There is no payment for stories, articles, poetry or artwork submitted, however we will provide you with a printed copy of the newsletter.

Submissions should be addressed to:

Last House on the Block Society, 38 Trentonian Lane, Dartmouth, NS B2W 0C4.

The Diversity Scarves

The scarves we provide are called diversity scarves. They are made from 3 different colors of wool, from odds and ends and often from discarded balls of wool. The idea is that many who suffer from addiction often feel discarded by society, yet when they break the chains of their addiction and go on the road to recovery they become a creation of warmth and beauty, like the diversity scarf. The three colors also symbolize that no matter what our gender is, or what our drug of choice may have been, it is our diversity that adds to our beauty.

What Do They Look Like?

19 scarves completed by Christine.

42 scarves completed by Nancy, Donna, and Kim

Tanya has 20 completed and Karen has 11 completed. No pictures other than those in last month's newsletter. There are other knitters also but we don't have their totals at this time. This subtotal makes 92 scarves knitted that we know of. The actual number is no doubt close to 120.

How Are They Made?

Nancy has provided us with the basic pattern.

You use three different colors of wool all knitted together as one. Thick wool and thin wool can be used together.

Using size 10 knitting needles cast on 20 stitches, in rib of knit one pearl one until scarf is of a length to go from your hip around your neck and down to your other hip. This makes the scarf reversible and nice and thick to keep people warm.

We call it a diversity scarf because it is usually made from odds and ends and discarded bundles (although it can be made from new yarn as well) which when combined, becomes a creation of beauty and warmth. Each scarf is unique and can be worn by any gender from any fellowship symbolizing that although we are each unique, our diversity only enhances our beauty.

ABOUT US

Last House on the Block Society is a non-profit organization that provides community outreach and/or information services to men and women in recovery from addictions to alcohol, drugs and gambling.

By directing persons in recovery to treatment services, self-help meetings, life skills, leisure activities, training and employment agencies, and by offering them support and encouragement, we hope to help them build a positive self-image so that they may re-integrate back into society.

Whenever possible, we will donate items of clothing to persons in recovery from addictions.

How To Be Involved

There are different ways to help with Last House On The Block Society.

You can donate money or items (as many of you do). Please visit our website for info on how to donate. You can be one of our knitters (if knitting or crocheting is your thing). You can volunteer for fundraising events by getting on the fund-raising committee. Or if you'd like to be directly involved in the decision-making process, you can make application to serve on our voluntary board of directors. Its a two-year term. We currently have 6 board members which is enough to operate the society, although our full complement is 11 board members. If you are in recovery from an addiction, we would prefer one year clean or sober.

This newsletter was compiled, manufactured, and distributed by one of the founding directors of Last House on the Block Society. All costs for publication, printing, and distribution are donated.
