## Newsletter for Last House On The Block Society

September 2014

Welcome to the September issue of Under the Bridge, the free newsletter of Last House on the Block Society. We are pleased to announce the appointment of an additional Director. Mary Lambe was added to our voluntary Board of Directors. Mary has been very active in public relations for us as well as fund-raising.

The Cheesecake Raffle was a huge success. We were able to raise \$142 dollars. The winner of the raffle was Debbie Bertram. We are sure she will love the Cheesecake and we would like to thank all those who participated.

On September 1, we launched a 60-day online fundraiser at Mabels Labels in an attempt to raise \$500 for our Santa Under The Bridge project. (see attached flyer)

We have also made application with local retailers to be sponsored by them in our fund-raising efforts. That is currently a work in progress.

Local businesses are showing their continued support by displaying our fund-raising posters as shown in the accompanying photo of the owner and manager of Kwik-Way Store on Woodlawn Road.

We are working on T-shirts for our volunteers. We had some iron-on transfer paper donated to us. I (Bernie) printed off a sample design. It's still pretty rough, but I am working on some other ones.

The scarf project is starting up again. One of our high volume knitters dropped off 40 scarves. That puts our total at approximately 150.

# The Diversity Scarves

The scarves we provide are called diversity scarves. They are made from 3 different colors of wool, from odds and ends and often from discarded balls of wool. The idea is that many who suffer from addiction often feel discarded by society, yet when they break the chains of their addiction and go on the road to recovery they become a creation of warmth and beauty, like the diversity scarf. The three colors also symbolize that no matter what our gender is, or what our drug of choice may have been, it is our diversity that adds to our beauty.

## How Are They Made?

Nancy has provided us with the basic pattern. You use three different colors of wool all knitted together as one. Thick wool and thin wool can be used together. Using size 10 knitting needles cast on 20 stitches, in rib of knit one pearl one until scarf is of a length to go from your hip around your neck and down to your other hip. This makes the scarf reversible and nice and thick to keep people warm. We call it a diversity scarf because it is usually made from odds and ends and discarded bundles (although it can be made from new yarn as well) which when combined, becomes a creation of beauty and warmth. Each scarf is unique and can be worn by any gender from any fellowship symbolizing that although we are each unique, our diversity only enhances our beauty.

## ABOUT US

Last House on the Block Society is a non-profit organization that provides community outreach and/or information services to men and women in recovery from addictions to alcohol, drugs and gambling. By directing persons in recovery to treatment services, self-help meetings, life skills, leisure activities, training and employment agencies, and by offering them support and encouragement, we hope to help them build a positive self-image so that they may re-integrate back into society.

Whenever possible, we will donate items of clothing to persons in recovery from addictions.

## How To Be Involved

There are different ways to help with Last House On The Block Society.

You can donate money or items (as many of you do). Please visit our website or Facebook page for info on how to donate.

You can be one of our knitters (if knitting or crocheting is your thing).

You can volunteer for fund-raising events by getting on the fund-raising committee.

Or if you'd like to be directly involved in the decision-making process, you can make application to serve on our voluntary board of directors. Its a two-year term. We currently have 8 board members which is enough to operate the society, although our full complement is 11 board members. If you are in recovery from an addiction, we would prefer one year clean or sober.
